

Directions to Kerr Henderson

Please note that by car College Gardens is a one-way street. You must approach from the University Road end.

From the Europa Bus Station/Great Victoria Rail Station, come out on to Great Victoria Street (in front of the Europa Hotel), and facing across the road turn right.

Continue straight up this road, staying on the right hand side, heading towards Queen's University.

As you reach the University, go past the glass fronted student building on your right and keeping straight on, past the bank also on your right.

Turn right at the next road which is College Gardens (lawns and school immediately in front of you).

Keep on walking – the Kerr Henderson office is at the far end of this road, on your right
